

A READING IN THE AKASHIC RECORDS

Firstly, I would like to say Thank You, for your interest in a reading and the decision to proceed with me. Your trust means a lot, and all information shared with me is confidential. The Akashic Records are an etheric or energetic record of all the experiences of every soul that has ever lived. They are a vibrational record of the events, thoughts, beliefs and feelings of every human being in all of their lifetimes.

They contain details of our soul contracts and the potentials, possibilities and soul learning we have chosen for ourselves in our current incarnation.

It is possible to access these records and to download information which will help us cope with the problems and challenges we face. The high vibration quantum energy of the Akashic Records facilitates healing and transformation, and can be used as a valuable tool and medium to Evolve. Accessing the records not only helps us to heal but allows us to align with our soul selves and reach our highest potential.

A reading can help you to

- ★ gain clarity about challenges and issues you are facing.
 - ★ understand the origins of limiting beliefs and sabotaging patterns of behaviour.
 - ★ gain a deeper understanding of your relationships with family members and friends.
 - ★ learn about your soul contract for this lifetime.
 - ★ discover your life purpose and mission and create a pathway forward.
 - ★ do deep healing on a soul level.
 - ★ find out about past lives that are linked to your current lifetime.
 - ★ connect and communicate with your soul.
 - ★ bring your human and soul selves into harmony and alignment.
- live a more authentic and purposeful life.

For some the reading acts as a confirmation of your inner guidance, or a message for your guides to dig deeper. For some necessary information is shared as your guides see fit. No reading is ever the same and I follow only the highest guidance that comes through.

Procdeure

I have been reading records since 2018 and am able to connect with your records once you have given me permission. I channel the information intuitively, and sometimes use the oracle cards as a prompt.

On your end you need to PLEASE SEND ME 3-4 by Email before the reading. Along with your Full name and DOB

At the fixed time we can converse by Zoom phone call (audio only) or telephonic conversation. This will be a 45 min session.

The wait time will depend on the calendar schedule.

I DO NOT TAKE URGENT READINGS.

YOU DO NOT NEED TO BE PHYSICALLY PRESENT FOR THE READING IN PERSON.

But you do need to be available on the call so I may give you guidance.

Please Note

I cannot and don't access the records of children / minors. To access the records I need your permission, so I **can access your records only** and your relation with someone, and not their records or their souls blueprint.

This is about YOU.

What we can ask is about your karmic connection with them.

The records also do not give a time frame as that can constantly can change.

Please exercise discernment with the information you receive and to understand there are many potentialities and possibilities for each of us as souls and more than one way of following our life's plan. THE SOLUTION DEPENDS ON YOU and your willingness to implement the guidance given.

Your reading is information downloaded after accessing your Akashic Records. It is not a fixed blueprint for your future. This is because as humans we have FREE WILL to choose our actions resulting in different outcomes. It represents the highest potential for you as a soul in this lifetime. It will give a higher perspective of the life lessons of your soul and chosen path in your current incarnation. Some of this reading will resonate and some may not. You may connect with the information at a later stage as things get clearer. You will get a copy of the Reading for yourself. You will receive any guidance that I get for you including meditations, crystals to use, affirmations or rituals.
